

## Martin Robertson

### Body

'This clumsy creature conceals,  
traduces the true me'  
That's what you feel  
often. Sometimes though  
don't you clearly see  
this lump the faithful image of your soul?

Is it a prison?  
Remember then, you  
aren't only prisoner  
—warder, Governor too,  
responsible for what  
conditions prevail there.
